3-D CARD KOWA DISPLAY CO., INC. © TOKYO PRINTED BY TOPPAN, JAPAN  
金閣寺 KINKAKUJI TEMPLE (KYOTO)

post card

Built originally in 1397 and reconstructed in 1955 the KINKAKUJI is considered one of the masterpieces of old Japanese architecture. The harmony of the brilliant golden pavilion with its verdant natural surroundings keeps its beauty as fresh and sticking as it was 1,000 years ago.
